

Event Facilities

Park Pizza & Brewing Co. is a welcoming retreat for the entire community serving up wood-fired pizza and house-brewed beer, plus a sense of neighborhood pride.

Within the dining room, at the bar, or on the patio, you'll find a place to grab a bite and a pint, watch the game, hang with your kids, and catch up with friends.

Host an event in one section of the restaurant, outside on the patio, or the entire venue. Booking these spaces does not require a room rental, just a food and beverage minimum which varies by date and time.
